

Animal Song-English translation

(Singers may change out any animal name for any name.)

We are going to the forest

We are going to look for buffalo

We are going to the forest

We are going to learn

Ha hey ya way ya ah, Way ya way ya ah, (repeat this chorus)

We are going to the forest

We are going to look for a fox

We are going to the forest

We are going to play

Ha hey ya way ya ah, Way ya way ya ah, (repeat this chorus)

We are going to the forest

We are going to look for a bull elk

We are going to the forest

We are going to look around

Ha hey ya way ya ah, Way ya way ya ah, (repeat this chorus)

We are going to the forest

We are going to look for coyote

We are going to the forest

We are going to have fun

Ha hey ya way ya ah, Way ya way ya ah, (repeat this chorus)
