

Fire Prevention

... Before Suppression

CONFEDERATED SALISH & KOOTENAI TRIBES

Fall Open Debris Burning Starts Today October 1

October 1, 2026-Open debris burning for the Fall burning season, starts today, October 1. Fire danger is **LOW** on the Flathead Indian Reservation.

Careless debris burning is a major cause of wildfire on the Flathead Indian Reservation. Open burning is October 1 to November 30 on the Flathead Indian Reservation. To burn from **October 1 to November 30** you do not need a burn permit.

If a fire does get out of control **call 911** immediately.

Remember you are responsible for any and all suppression, property costs if your fire escapes your control.

If you have any questions about debris burning call the Division of Fire at 676-2550.
